Re: Update on Lobby Access Transactions

First Texas Bank continues to monitor the guidance from the CDC, local health and government organizations. The health and safety of our customers, employees and communities remains our first priority.

Although we have limited lobby access, we are available to provide you with all of our lobby services, including opening a new account, applying for a loan, getting a new debit card or any other service needed. We ask that you initially contact us by phone at any one of our locations so we may assist you.
